<i>Research/Description:</i> A cardiovascular care hospital with four cardiac catheterization and electrophysiology suites, four cardiovascular surgical suites, a peripheral vascular suite, ongoing research and clinical studies, a medical staff of more than 300 physicians and a 24-hour Heart Emergency Center staffed by physicians and nurses who specialize in treating cardiovascular emergencies.				
Arizona State University IRB #1 – Social Behavioral IRB00000128 IRB #2 – Bioscience IRB00005065	Office of Research Integrity and Assurance Interdisciplinary B Room B371 Box 1103 Tempe, Arizona 85287-1103 480-965-6788 480-965-7772 Fax	www.researchadmin.asu.edu	Debra Murphy Director debra.murphy@asu.edu 480-965-2179 Susan Metosky IRB Administrator susan.metosky@asu.edu 480-727-0871	
<i>Research/Description:</i> Arizona State University (ASU) has campuses in Tempe, west Phoenix, Mesa and downtown Phoenix. ASU, Northern Arizona University and the University of Arizona established an IRB reciprocity agreement for research projects involving investigators from the three campuses. This agreement allows one campus to become the designated IRB for jointly conducted projects. The IRB is composed primarily of faculty members from disciplines in which research involving human subjects is integral to that discipline's work, researchers whose primary interests are non-scientific, as well members from the community. The human subjects review process is administered through the Office of Research Integrity and Assurance.				
Banner Health IRB #1 IRB00005094 Banner Health System, Good Samaritan Regional Medical Center IRB #1 IRB00000935	Banner Health Research Institute 926 E. Indian Health Services IRB #10 - Phoenix IRB00000643	Phoenix Area IHS Two Renaissance Square 40 North Central Avenue- Suite 601 Phoenix, Arizona 85004 602-364-5039	www.ihs.gov	Contact: "c/o IRB Chair" at the main contact information until the new chair is placed.	Augusta Hays, MD just retired as chair of the IRB. The IRB is still active, but currently in the process of replacing the chair.
<i>Research/Description:</i> The Indian Health Service (IHS), an agency within the Department of Health and Human Services, is responsible for providing federal health services to American Indians and Alaska Natives. The Phoenix Area Indian Health Service (PAIHS) Office in Phoenix, Arizona, oversees the delivery of health care to approximately 140,000 Native American users in the tri-state area of Arizona, Nevada and Utah. The IHS and the National Institute of General Medical Sciences (NIGMS) of the National Institutes of Health have a joint partnership supporting the Native American Research Centers for Health (NARCH). The NARCH initiative supports partnerships between AI/AN Tribes or Tribally-based organizations and institutions that conduct intensive academic-level biomedical, behavioral and health services research. This funding mechanism develops opportunities for conducting research, research training and faculty development to meet the needs of American Indian/Alaska Native (AI/AN) communities.

Sun Health Corporation IRB #1 IRB00000813	Sun Health Research Institute 10515 W. Santa Fe Drive Sun City, Arizona 85351 623-876-5328	www.sunhealth.org	Michele Caverly Sun Health IRB Coordinator 623-876-5627 623-815-6506 fax michele.caverly@bannerhealth.com	
<i>Research/Description:</i> The Sun Health Research Institute (SHRI) was founded in 1986 as a private, non-profit biomedical research center dedicated to the study of age-related diseases. Scientists at SHRI have had a significant impact on how physicians diagnose and treat diseases such as Alzheimer's, Parkinson's and arthritis. The Institute also runs a Brain Donation Program, which has provided researchers in Sun City and around the world with brain tissue to aid in their search for the cause and cure of those diseases. Sun Health merged with Banner Health in September 2008, the facility names have changed: Banner Del E. Webb Medical Center (formerly Sun Health Del E. Webb Hospital) and Banner Boswell Medical Center (formerly Sun Health Boswell Hospital). In addition to Boswell and Del E. Webb hospitals, the operational entities joining Banner include Sun Health Research Institute, Sun Health Medisun, Sun Health Boswell Rehabilitation Center, Sun Health Residence for Alzheimer's Care, Sun Health Residence for Special Adults, Sun Health Olive Branch Senior Center, Sun Health Community Education & Wellness Center and others.

<i>Research/Description:</i> Arizona State University, Northern Arizona University, and The University of Arizona are pleased to announce the establishment of an Institutional Review Board (IRB) reciprocity agreement for research projects involving investigators from the three campuses. This agreement simplifies the process of IRB review of collaborative projects by allowing one campus to become the designated IRB for jointly conducted projects. The University of Arizona is the leading public research university in the American Southwest. The UA produces more than \$530 million in annual research and is the state's only member of the prestigious Association of American Universities.
